

**FEE SCHEDULE FOR TISSUE PATHOLOGY
AND CYTOLOGY EXAMINATIONS
(PRIVATE HOSPITALS)**

(Effective from December 16, 2021)

TISSUE PATHOLOGY

	Class I	Class II	Class III & OPD
Routine examination (minor surgery / biopsy)	\$3900	\$2700	\$1600
Intermediate surgical specimen	\$5500	\$3800	\$2300
Major / oncologic surgical specimen	\$6600	\$4500	\$3100
Routine frozen section and its paraffin section examination (per specimen)	Simple (1-4 blocks)	\$6300	\$4400
	Complex (>4blocks)	\$7700	\$5500
Immunofluorescence and follow up histological examination (for skin)	\$7100	\$4900	\$3400
Immunohistochemical stains	\$5700	\$4400	\$3200
Breast cancer biologic markers +/- FISH test	\$7300	\$6300	\$5200

CYTOLOGY

	Class I	Class II	Class III & OPD
Gynaecological Pap smear (conventional)	\$750	\$550	\$280
ThinPrep® Imaging System with Dual Review™ (computer scan + computer-guided review + manual rescreen + 100% rapid rescreen by pathologist)	\$800	\$570	\$300
Sputum, body cavity fluid and urine (per sample)	\$1120	\$930	\$550
Fine Needle Aspiration cytology (FNA)	\$2300	\$1380	\$930
Bronchoalveolar lavage (BAL)	\$2300	\$1380	\$930

Notes:

- 1. Other examinations including send-out tests and after hours services are available by special arrangement only and separate fee schedule will apply.**
- 2. For requests of frozen section, urgent report and skin biopsy for direct immunofluorescence studies, prior arrangement must be made with the pathologists – telephone 2526 0867.**
- 3. Different examinations, multiple or unrelated specimens will be charged separately.**
- 4. This fee schedule supersedes the previous one dated 1 February 2016.**

<p>All our lab tests are performed to ISO 15189-2012 standards and endorsed by HOKLAS (802P) since May 2005.</p>
